# THINGS TO KEEP IN MIND WHEN READING YOUR BENEFIT SCHEDULE

To ensure that you get maximum bang for your benefit buck, we have summarised 4 key areas that may influence your benefit entitlement

1. Scheme protocols, rules and policies
2. Pre-authorisation
3. Designated Service Providers (DSP)
4. Co-payments and sub-limits; and PMBs

## SCHEME RULES & PROTOCOLS

All benefits and the use of each are subject to Scheme protocols, rules and policies. It's very important that you familiarise yourself with your option's applicable rules, policies and protocols to make sure that you fully understand how your option works, what your benefit entitlements are and whether any criteria apply when you make use of your cover.

Scheme protocols define the right process to follow when it comes to your option's benefits including medicines and devices. You can download a copy from our website at [www.resomed.co.za](http://www.resomed.co.za) after logging into the member portal or you can request it from our friendly Client Services team on **0861 796 6400** or [clientservices@resomed.co.za](mailto:clientservices@resomed.co.za).

Scheme rules are non-negotiable rules that cannot be changed. For example, Resolution Health's rules state that the Scheme will not fund cosmetic surgery. Because Resolution Health is wholeheartedly committed to the overall wellbeing of our members, your health and disease severity will, to a large extent, determine your benefit access and entitlement, the protocols applied as well as your unique care path (refer to the *Patient Driven Care*™ section on **page 5**). In these instances, make sure that you discuss your individual needs with your Personal Health Coordinator who is like your very own personal banker for your wellbeing, to enjoy the maximum level of cover and benefits.

## PRE-AUTHORISATION

Getting pre-authorisation from the Scheme is probably one of the easiest ways to gain seamless access to your benefits and avoid unnecessary delays. Because we like to empower our members and make it as effortless as possible for you to gain access to your benefits, our pre-authorisation call centre is available 24 hours a day, 7 days a week, 365 days a year.

It really is as simple as calling **0861 111 778** or sending an email to [preauth@resomed.co.za](mailto:preauth@resomed.co.za). If you're unsure whether pre-authorisation applies to any of your benefits, rather get in touch with the team to double check.

### MAKE SURE THAT YOU:

- » Get in touch with our pre-authorisation team 14 days before an elective procedure
- » Let the same team know within 48 hours after an emergency procedure
- » There is a 20% co-payment on late authorisations

REMEMBER that the Scheme will only fund those procedures that were pre-authorised so make sure that you ask your doctor if any additional items need to be added afterwards. If so, keep in mind that you have to let us know within 48 hours.

## CO-PAYMENTS & SUB-LIMITS

Co-payments and sub-limits are applied to a defined list of procedures. For a detailed overview, please refer to **page 14** (co-payments) and **page 16** (sub-limits).

## DESIGNATED SERVICE PROVIDERS (DSP)

Resolution Health has an extensive network of DSPs that includes private hospitals and medical doctors.

Our network spans all 9 provinces and is one of the industry's most impressive.

For a list of your option's DSPs, simply visit [www.resomed.co.za](http://www.resomed.co.za), get in touch with our call centre on **0861 796 6400** or email [clientservices@resomed.co.za](mailto:clientservices@resomed.co.za).

### WHY SHOULD YOU MAKE USE OF YOUR OPTION'S DESIGNATED NETWORK?

We have special arrangements with each of these facilities to make sure that our members get maximum bang for their benefit buck. Resolution Health always suggests that you make use of this network when it comes to your healthcare needs to limit out-of-pocket expenses or avoid them altogether!

# PRESCRIBED MINIMUM BENEFITS

## WHAT ARE PRESCRIBED MINIMUM BENEFITS?

Prescribed Minimum Benefits, also known as PMBs, are a list of diseases or conditions that a medical scheme is required to fund. A detailed list can be found on the Council for Medical Schemes' website ([www.medicalschemes.com](http://www.medicalschemes.com)).

### FUNDING OF YOUR PMB CONDITION

Your PMB cover will be funded from your option's existing benefits first. Thereafter, your condition will be funded by the Scheme's risk pool and we'll require the following for you to enjoy extended cover from your treating provider:

- » Confirmation of the clinical condition
- » Relevant ICD10 code
- » Supporting documentation
- » Motivation from your doctor
- » Applicable medical reports
- » Any additional information requested by the Scheme

### STRETCHING YOUR PMB COVER

The first thing you should do after being diagnosed is to get in touch with your Personal Health Coordinator to discuss your disease-specific care path (refer to **page 5** for more information). You can also substantially stretch your PMB benefits by making use of a hospital, doctor, specialist or any other healthcare professional that the Scheme has an agreement with. However, in a life threatening situation, you may go to any hospital, doctor or specialist but, as soon as you are able to access one of our DSP network, you must do so to continue enjoying full cover for your condition.

## GETTING THE MOST OUT OF YOUR PMB COVER

### DO

Always make use of our extensive DSP and hospital networks

Ask whether your PMB cover is subject to a waiting period

Understand the level of cover your option provides for your PMB condition

Understand the applicable Scheme rules, protocols and level of care that applies to your option and how it covers your PMB condition

### OR YOU MAY

Have unforeseen out-of-pocket expenses

Not be covered for your PMB condition

Not be covered at all

Misunderstand your level of cover

# PATIENT DRIVEN CARE™

## A HELPING HAND FOR OUR HIGH-RISK MEMBERS

At Resolution Health, we're pretty much solely dedicated to helping our members stay as healthy as possible. So we developed the industry first **Patient Driven Care™ (PDC™)** programme, our unique way of offering additional support to those members who sometimes need a helping hand when it comes to taking care of their health.

### WHAT IS **PATIENT DRIVEN CARE™**?

**PDC™** is our unique way of helping our at-risk members to manage their health and benefits better so that they're always able to get the care they need when they need it most. These members will firstly be assigned a Personal Health Coordinator (PHC) who is like a personal banker for your wellbeing. Your PHC will help you along every step of the way, from developing a tailor-made care path based on your unique healthcare needs to giving you access to benefits that will help you stay as healthy as possible, for as long as possible.

### WHAT IS A HEALTH EVENT?

Let's say you have high blood pressure or cholesterol. In this case, an example of a health event would be a heart attack. Similarly, various other chronic conditions can have extreme health events if left unmanaged and, in most cases, result in hospitalisation.

### WHO QUALIFIES FOR THE **PDC™** PROGRAMME?

It's important to keep in mind that **PDC™** is a health management programme and not a medical scheme benefit. We have a sophisticated process, based on our advanced managed care principles and protocols, that quickly identifies members who could benefit from the helping hand the programme offers. Once identified, we start helping you to use your specific option's benefits better.

In some cases, we'll even unlock extra benefits that assist you to stay as healthy as possible, for as long as possible.

#### **Resolution Health members who would ideally use the **PDC™** programme include:**

- » Chronic patients (depending on the severity of your condition)
- » Patients with an increased risk of having an adverse health event that may, for example, result in hospitalisation
- » Patients who have had severe in-hospital or other acute health events
- » Patients with rare diseases who need constant monitoring

### HOW TO REGISTER FOR THE PROGRAMME

#### **Registering for the **PDC™** programme takes place in two ways:**

- » Our progressive clinical systems continuously monitor our members' claims patterns to quickly identify high risk patients. Should you be flagged as high risk on our system, you will be contacted by our friendly **PDC™** team who will discuss the programme with you and take you through the registration process.
- » If you are suffering from a severe chronic disease, you can apply for registration on the programme. The application process is quick and easy and you can either call or email us by using the details below.

For more info, get in touch with our efficient team on **0861 796 6400** or e-mail [pdc@resomed.co.za](mailto:pdc@resomed.co.za).

# IMPORTANT INFORMATION ABOUT YOUR BENEFITS

## CHANGING OPTIONS

It's important to look at your healthcare needs at the end of every year and decide which Resolution Health option is best suited to your evolving healthcare needs. Option changes can be made annually at the end of the year by completing an Option Change Form (available on [www.resomed.co.za](http://www.resomed.co.za) or from our friendly Call Centre consultants on **0861 796 6400**) and making sure we receive the completed form by no later than **08 December 2017**. Completed forms can be submitted:

- » Online: [www.resomed.co.za](http://www.resomed.co.za)
- » By email: [optionchange2018@resomed.co.za](mailto:optionchange2018@resomed.co.za)
- » By post: Resolution Health, PO Box 1555, Fountainsbleau, 2032

## BENEFITS THAT RUN IN CYCLES

Most of your option's benefits are annual, meaning that you can access these benefits over a calendar year. However, certain benefits run over an extended period like external medical appliances, orthodontics, optical benefits and cochlear implants and may only be available once in several years or once in a lifetime.

## PRO-RATING OF BENEFITS

When joining the Scheme during the year, all benefits (except hospitalisation), including those that have Rand limits, are pro-rated in proportion to the period of membership for the year.

## SERVICE PROVIDER RATES

Some service providers may charge rates that are more than your option's benefit rate, making it very important that you **confirm what your provider charges before making use of their services**. **REMEMBER** that Resolution Health will fund up to your option's benefit rate limit (including PMBs) and, if your provider charges over and above that rate, the outstanding amount will be for your personal account.

Also keep an eye on what you're being charged for. Some service providers charge members for additional procedure codes or the unbundling of service tariffs not approved by the Scheme. You can speak to our friendly pre-authorisation department on **0861 111 778** or email them on [preauth@resomed.co.za](mailto:preauth@resomed.co.za) for advice as you may not be liable for these additional costs.

## BENEFITS THAT ARE DEPLETED

Once your benefits are depleted, you will only be covered for those conditions that are clinically proven to be a PMB. **REMEMBER** that Scheme protocols always apply and that pre-authorisation, as well as proof of PMB status, is required to confirm your cover.
